

# **ANNUAL REPORT**

2021-22

**DEPARTMENT OF MATHEMATICS**

**AMBEDKAR COLLEGE OF ARTS AND SCIENCE**

**WANDOOR**

## **About us**

Department of Mathematics was started in the year 2014. At present we offers undergraduate programme in mathematics. The three year BSc Mathematics programme offers Statistics and Computer Science as the complimentary courses for the first four semesters. From 2014 onwards the undergraduate programme followed the choice based credit semester system.

The sanctioned strength for the programme is 36 and an intake in accordance with a marginal increase of certain percentage, which differ from year to year, was also implemented.

The department offers induction programme and bridge courses for the beginners. It also offers an open course in Mathematics and different certificate courses in Mathematics, Computer science and Statistics. The Department also offers skill development courses in Latex and Office Automation. Mathematics department organizes seminars, workshops, exhibition and career development programmes for undergraduate students. Mathematics Club is functioning in the department to promote and maintain students' interest in Mathematics.

## **Vision**

Impart quality education in Mathematics and become a centre of excellence in Mathematics education.

## **Mission**

- To provide an environment for students to learn Mathematics.
- To develop mathematical thinking and logical reasoning, by enabling them to become lifelong learners.
- To develop critical thinking and problem solving abilities.

## **FACULTY DETAILS**

SI.No	Name	Designation	Qualification	Experience
1.	Sharshad Ameera U	Assistant Professor	MSc-Mathematics, B.Ed, PhD (Ongoing)	10 years
2.	Muhsina V	Assistant Professor	MSc-Mathematics, MBA,PhD (Ongoing)	1 year
3.	Afeeda.MP	Assistant Professor	MSc Computer Science	5 months
4.	Nishad.N	Assistant Professor	MSc Statistics	5 years

## **STATISTICS OF STUDENTS BY GENDER AND SOCIAL CATEGORY**

Programme	Year	SC			ST			OBC			General			Differently abled			Total		
		M	F	T	M	F	T	M	F	T	M	F	T	M	F	T	M	F	T
BSC	I	0	1	1	0	0	0	7	27	34	0	0	0	0	0	0	7	28	35
	II	1	1	2	0	0	0	5	29	34	2	4	6	0	0	0	8	34	42
	III	1	3	4	0	0	0	6	35	41	1	1	2	0	1	1	8	39	47

### **Department activities in the academic year 2021-2022**

1. Oru Thy Nadam - Environment Day Celebration
2. International Day against Drug Abuse
3. National Statistics Day Celebration
4. National Webinar on DNA Computing
5. Azadi Ka Amruth Mahotsav - Independence Day Celebration
6. Kenkemmam e-onam - Onam Celebration
7. World Tourism Day
8. National Mathematics Day Celebration
9. Pi Week Celebration
10. Novato Fiesta – Fresher's Day
11. Farewell
12. Excursion
13. Alumini Meet

## **Environment Day**

### **Oru Thy Nadam (Plant a Tree)**

Healthy environment is the most important factor for peaceful and healthy life in the world. Department of Mathematics in Ambedkar College of Arts and Science conducted some productive activities in connection with Environment day, for make sure the sustainable existence of the environment. The programme was coordinated by Ms.Sharshad Ameera(H.O.D).

As a part of such venture, each student planted even a single plant and committed to take care of it. Cultural activities like poems, slogans and awareness quotes were presented by students of Mathematics department.

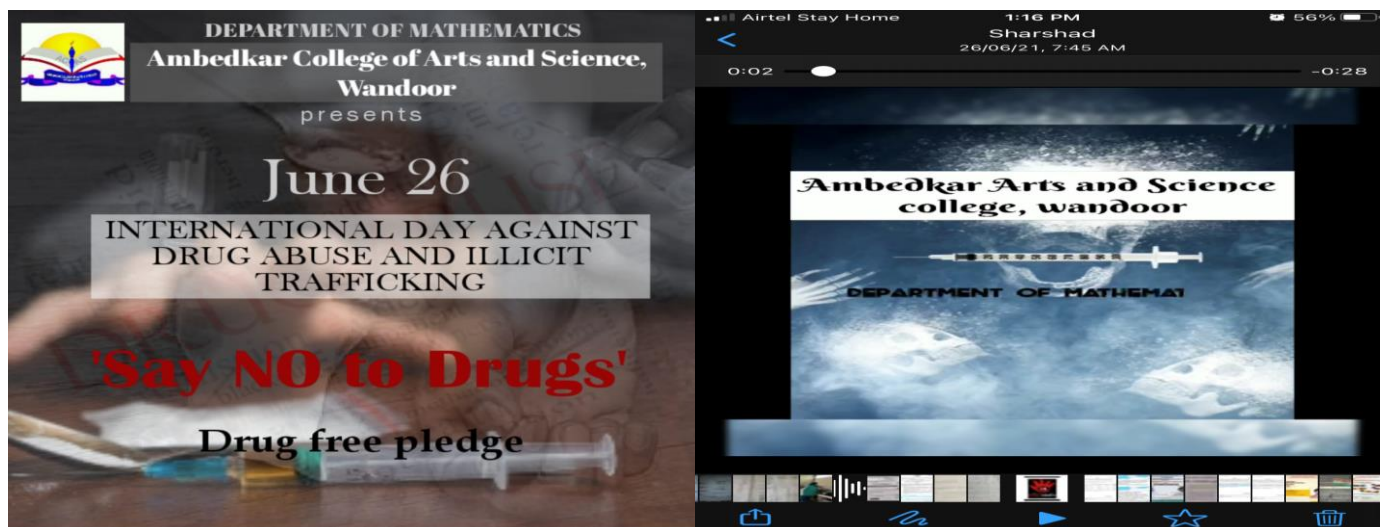

## International Day against Drug Abuse

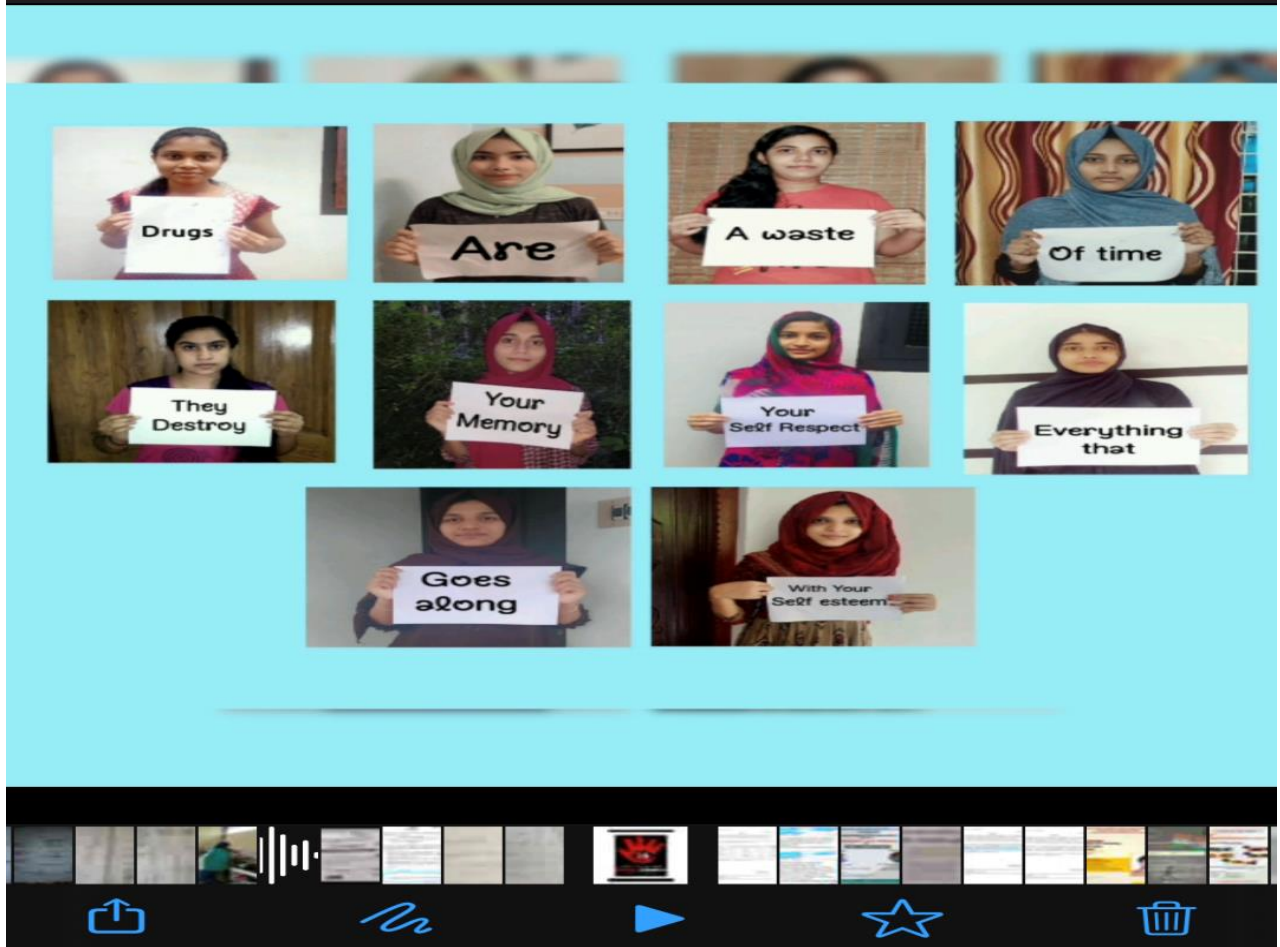

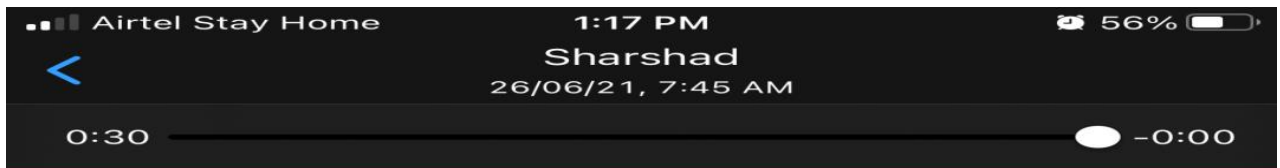

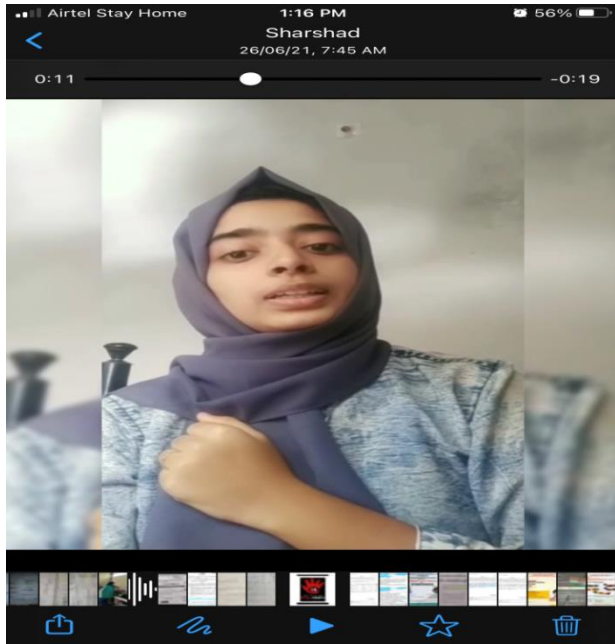

The Department of Mathematics organized an awareness programme on the occasion of International Day against Drug Abuse and Illicit trafficking. The programme was coordinated by Ms. Sharshad Ameera (H.O.D) and was conducted through online by Social media.

For make the students and society aware about the drawbacks of drug abuse and addiction students made a bunch of slogan and made into a collage. Students from second year Maths-Anjana, Sana, Praisya, Shibla, Sona, Nishma, Rubinsa, Muhasina, Hiba and Najma had participated in slogan making.

Anti drug addiction pledge were conducted in the leadership of Najil. Students from secondyear Maths- Irfana, Simi, Ananya, Riya, Anjima, Shaheer, Sneha, Nandana, Najil, Fidha, Anjana, Hiba and Gopika had been joining in pledge.

Various programmes conducted helped to make the audience aware about side effects and future of drug using and addiction.

## **NATIONAL STATISTICS DAY CELEBRATION**

A webinar and Poster making competition was organized by department of Mathematics on 5 th July 2021 as a part of National Statistic Day Celebration. Webinar conducted from 10.30 am to 11.15 am at Ambedkar College of arts and science Wandoor. But, due to the pandemic situation it just conducted as an online in google meet. About 48 members were participated in this meeting. The main purpose of the event was to create an awareness regarding the uses of Statistics and the contributions of Mahalanobis in Statistics. It was well planned organization and both students and teachers voluntarily participated in this noble cause.

The webinar started with the welcome speech by Nishad N, lecturer in statistics. Sharshad Ameera, Hod of Mathematics department and program coordinator presided over the webinar. Dr Abdul Nasar VP, the principal of college inaugurated the awesome session.

Webinar held as two sessions, at the first session, Nishma K from 3 rd B.Sc. Mathematics gave an informative speech on the uses of Statistics in different fields like Mathematics, Economics, Banking, etc. At the second session, Sneha PK from 2 nd Mathematics gave an effective speech about the great personality of PC Mahalanobis and his major contributions like Mahalanobis distance, sample survey, graphical analysis, etc. Finally, the webinar concluded with the vote of thanks by Rinshida V from final Mathematics.

The poster making competition was held in the afternoon session on the title 'COVID-19 and Statistics' through online platform. About fifteen students were participated in poster making competition. Three out of these were selected as winners. The first, second and third winners are Raheena p( Second BA Economics), Nijiya k (Second BSC Mathematics )and Najida KK (Second BA Economics) respectively.

At the end of the event was approaching there was a sense of satisfaction on the face of all members. The Department of Mathematics made it a huge success.

### National Webinar on DNA Computing

National Webinar on DNA COMPUTING was organized by Department of Mathematics, Ambedkar College of Arts and Science, Wandoor on 31-07-2021 from 11:00am to 12:30pm by using Google Meet Platform. Dr. C Annal Deva Priya Darshini Associate professor, Department of Mathematic, Madras Christian College Chennai, was the guest Speaker. The programme was attended by nearly 90 participants including Mathematical Scholars, professors, Associate professors, Mathematical Students, Commercial Students, Commercial Scholars and from Other Colleges.

Sharshad Ameera, Head and Professor, Department of Mathematic welcomed the gathering. Dr. Abdul Nasar VP, Principal of Ambedkar College of Arts and Science, Wandoor, inaugurated the National webinar.

The guest speaker explained the DNA coding used for the bases of Adenine, Guanine, Cytosine and Thymine. She described the Gel electrophoresis and Adleman's experiment. The session ended with an open house discussion.

The Webinar programme was concluded with vote of thanks by Ms. Merin P Sam, Lecturer in Mathematics. The Webinar was very informative and well appreciated by the Participants.

## Independence Day Celebration- Azadi Ka Amruth Mahotsav

As part of Independence Day celebrations, 'Azadi Ka Amruth Mahotsav', Mathematics department conducted 'mask painting competition and a competition on 'identify the freedom fighters'. Both competitions were conducted online on 14<sup>th</sup> and 15<sup>th</sup> August 2021. Muhammed Shabin K, Aslan P T, Rinshida V of 5<sup>th</sup> semester BSc Mathematics and Muhammed Najil P, Irfana of 3<sup>rd</sup> semester BSc Mathematics, were the student coordinators of the programme. Sharshad Ameer U, Assistant Professor of Mathematics was the staff coordinator of the programme. About 4 members were participated mask painting competition. The main purpose of the event was to create awareness regarding the Independence Day activities. About 10 members were participated 'Identify the freedom fighter' competition. The main purpose of the event was to create awareness regarding the freedom fighters. Both competitions were very well planned organization and both students and teachers voluntarily participated and coordinated in this event.

## Kenkham e- onam

A four day programme was conducted through online by the department, as a part of onam celebration, on 20<sup>th</sup> to 23<sup>rd</sup> August, in the name “KENKHAM E-ONAM”.

## **World Tourism Day**

As a part of world Tourism day, Travel Experience writing contest was held by Mathematics Department on 28<sup>th</sup> September 2021. Jinesh K V from 3<sup>rd</sup> Bsc Mathematics was the winner of the contest.

## **National Mathematics Day Celebration**

Department of Mathematics celebrated National Mathematics Day on 22 December 2021. Different programs were conducted as part of this. The programs conducted were Math Exhibition, Math games and puzzles, Sudoku competition, Quiz competition and Film Screening. The main purpose of these programs was to create an interest of Maths in students. The program was coordinated by Jamshiya P (1 st yr BSc Mathematics), Asna P P (1 st yr BSc Mathematics) and Mohammed Shabin (3 rd yr BSc Mathematics). The program was conducted under Mathematics Club of Ambedkar college of Arts and Science.

The programs started at 10am, the welcome speech was felicitated by Hafeefa P (1 st yr BSc Mathematics), the presidential address was done by Ms. Sharshad Ameera (Asst. Prof and H.O.D Dept of Mathematics) and it was inaugurated by Dr. Abdul Nasar V P (principal, ACAS). The inaugural section was completed at 10.30 am and the games were started at the same time.

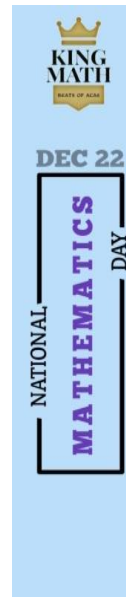

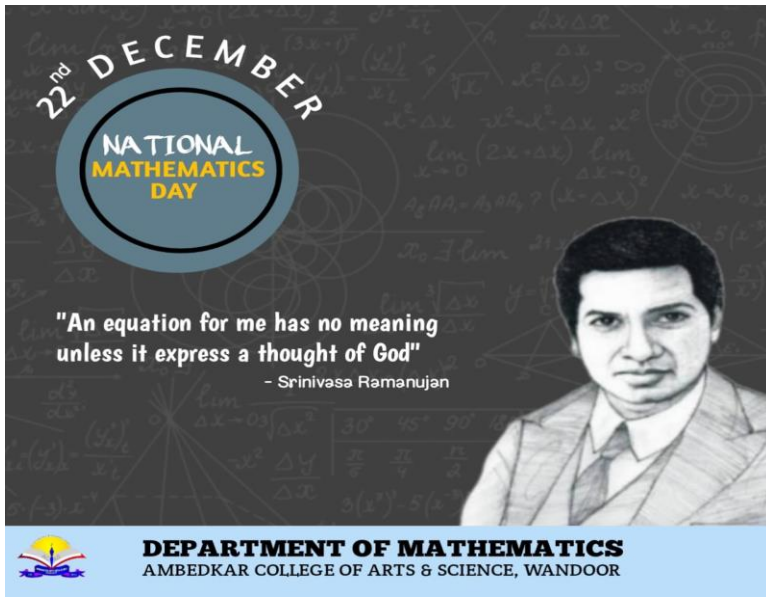

The Quiz competition was started at 10.45am and it was coordinated by student coordinators Fasna K (1 st yr BSc Mathematics) and Arya (2 nd yr BSc Mathematics). The winners of the Quiz competition were Muhammed and Saurav (1 st yr BA English). They were rewarded with a cash prize.

The puzzle game was conducted from 11.30 to 12.30. It was coordinated by student coordinators Nejil k (1 st yr BSc Mathematics) and Huda P (1 st yr BSc Mathematics). The prizes were given to the winners.

Other games were conducted between 12.30 to 1.30pm. ‘ Around the block was a game’ conducted that day and the winners were rewarded with attractive prizes and the program was conducted with help of Muhsina (Asst Prof of Mathematics) and the student coordinators were Mohammed Najil ( 2 nd yr BSc Mathematics) and Rinshida V (3 rd yr BSc Mathematics).

Film show was started from 2pm. It was coordinated by Nishma (3 rd yr BSc Mathematics) and it was conducted with help of Nishad N (Asst. Prof of Statistics). The film was related to Srinivasa Iyengar Ramanujan. “The man who knew Infinity” was the movie played at that day.

## **Fresher's Day - Novato Fiesta**

Second year and Third year students of Mathematics Department organized fresher's party to welcome First year students. The programme was named 'NOVATO FIESTA', a spanish word meaning 'fresher party'. The purpose of the programme was to encourage their creative impulses to boost their confidence. Senior students arranged many activities for freshers which include cultural events where everyone got chance to showcase their talent. Refreshments were served in between the program.

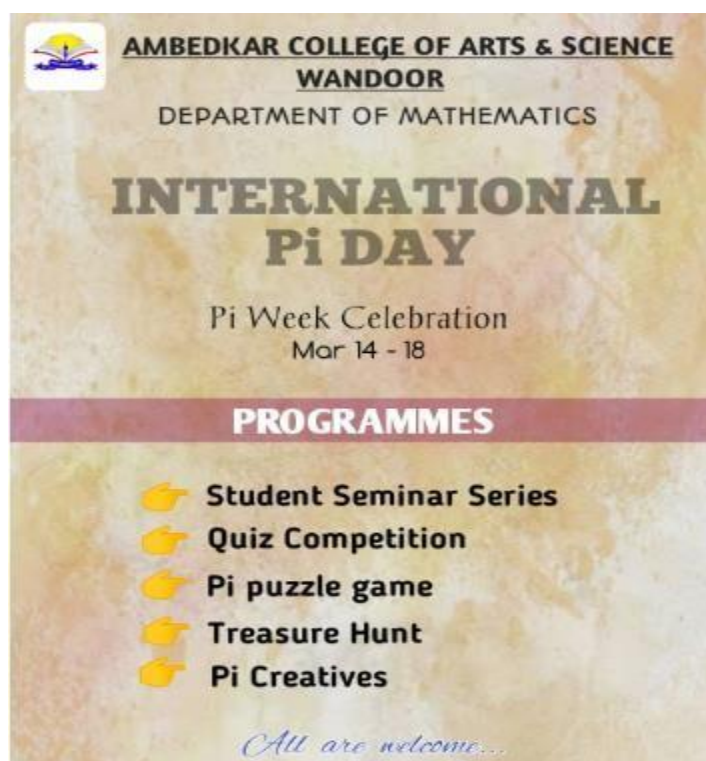

## **Pi Week Celebration**

International Pi day on “ **Pi Week Celebration 2k22** ” was organized by Department of mathematics , Ambedkar college of arts and science , Wandoor on 14<sup>th</sup> March, 2022 to 18<sup>th</sup> March, 2022 at Ambedkar college of arts and science, Wandoor by the final years students and head of the department. The formal ceremony continued for five days. The competition was organized as part of “Pi Week Celebration 2k22” and featured students from all departments. There were so many events such as student seminar series , quiz competition and pi puzzle game. When the activities were started so many students came up but the skilled ones got the chance to perform and show their talent.

The events began with Thansiha's a short speech on significance of Pi day. And Student's seminar series

The seminar was conducting to Google Meet platform and teachers and students were participated. Rimna.mk spoke on the topic of “Real life application of algebra”.

**DEPARTMENT OF MATHEMATICS**  
**AMBEDKAR COLLEGE OF ARTS & SCIENCE, WANDOOOR**

The next day, performed a Pi puzzle game in the entrance hall. Fasn.k (2<sup>nd</sup> maths) won thecomprtition. Aparna.v spoke eloquently on the topic of “Trigonometric functions”.

On the fourth day, Shahanas.v enounce on the topic of “Graph theory and its applications”.

At the final day Anupama.k spoke on the topic “Vectors and its applications”.

The “Talk with the Rank Holder” was conducted on final day from 11.30 AM in the Seminar hall. Husna.TP, Bsc mathematics, 2016-19 batches 8<sup>th</sup> rank in Calicut University, was the guest Speaker. All mathematical students were participated the event. Mrs Sharshad Ameera, head of the department of mathematics welcomed the gathering. Dr. Abdul Nasar .VP principal, Ambedkar College of Arts and Science, Wandoor inaugurated the program. All head of the departments attended and spoke at the event. The guest was inspiring speech for students

.

In the second section, the prize giving ceremony was held. The Principal was honoring the rank holder. Mrs. Sharshad Ameera gave away the cash prize among for Husna.TP. Mrs. Bhavya, head of the department of English gave away the cash prizes among for quiz competition winners. And Mr. Pramond, head of the department of economics gave the cash prize among for puzzle game winner. Mr. Sanil, head of the department of physical education gave away the cash prize for winners of quiz competition of mathematical day. The program was concluded with vote of thanks by Unaisa.op, final year mathematics student.

AMBEDKAR COLLEGE OF ARTS & SCIENCE, WANDOOOR

The session ended with “chat with the rank holder”, Dilnesha, final year mathematics student asked a few questions to the rank holder. Finally, the Mrs Sharshad Ameera declared the end of the week with the vote of thanks. This Pi week celebration was really an enjoyable celebration.

### **Excursion**

A two day three nights tour program to Munnar and Ramakkalmedu was conducted for 6<sup>th</sup> semester Bsc Mathematics students from 23<sup>rd</sup> December 2021 to 26<sup>th</sup> December 2021. 29 students participated in the program, assisted by Sharshad Ameera U (Asst. Professor), Muhsina V (Asst. Professor), Nishad N (Asst. Professor) and Abdul Jabbar (Asst. Professor).

## **Farewell**

A farewell party for final year students was organized by Second and First year students of Mathematics. The program was useful to share the joys, sorrows and experiences that the students gone through for three years.

## Alumini Meet
