Date: 04-02-2025

Venue: Kodikuthimala, Perinthalmanna.

Name of the Programme Coordinator: Muhsina V

Name of the Student Coordinators: Muhammed Amalshan T (2nd BSc Mathematics)

Sinitha P

Aim & Objective of the Programme:

- **Forest Fire Prevention:** The initiative explicitly states the need to prevent forest fires to protect natural beauty and ensure visitor safety.
- **Pollution Reduction:** The program highlights the importance of reducing pollution to maintain healthy ecosystems and preserve the area's aesthetic appeal.
- **Community Engagement/Action:** The initiative emphasizes the role of the community in creating lasting change and protecting local landscapes.

Number of participants: 25

Details of the program -

The Programme/Activity in brief:

The One-Day Nature Camp at Kodikuthimala, organized by the Bio Natural Club and Tourism Club of Ambedkar College of Arts and Science, Wandoor, on February 4, 2025, aimed to promote environmental awareness and sustainable practices. The event was coordinated by staff members Muhsina V and Sanil PP, along with student coordinators Sinitha P and Amalshan T, under the guidance of Bio Natural Club president Abdulsalam and forest officers of Kodikuthimala. A total of 25 students participated in activities focused on forest fire prevention, pollution reduction, and community engagement. Sessions included discussions on fire risks, a clean-up drive to reduce plastic waste, and interactions with the local community on conservation efforts. Experts shared valuable insights, and students actively took part in hands-

on learning. The camp successfully increased environmental awareness and encouraged community involvement in conservation efforts, making it a meaningful experience for all participants.
